Embark on a remarkable journey that transcends borders and embraces the power of unity, peace, and love. **Taste of the Middle East**, a distinguished non-profit organization, was established in 2019 to foster a sense of community and celebrate the wealth of Middle Eastern cultures. We firmly believe that by working hand in hand and embracing the richness of all cultures, we lay the foundation for a harmonious society.

Our mission is to curate an extraordinary experience that brings the captivating allure of the Middle East to the forefront of Colorado's cultural tapestry.
